Hi Steve,

Hope you are keeping your head above water!

Now that I think of it I know who he is, he is in ORIA...now I see the pattern Jen Mosher, Kathryn Snead were all staffing the NRCC last week. Basically, they are getting ORIA folks. They have experience at the NRCC from all the rad exercises.

How did Prioleau do?

I do have thoughts for lessons learned. I'll want to run them by Steve Mason and you before I send them to Tito. Bill

Wagnus is his first name. That's all I know. Never heard of him before or where he is from. Thanks for your help this weekend
